

Wrap Around Support

Sales, Parts & Servicing Nationwide!

Central Group is a customer-centric business delivering top-quality construction equipment, materials handling, and truck solutions to companies throughout New Zealand.

We are a leading NZ importer and dealer of renowned brands including Heli and STILL forklifts, Takeuchi excavators, Wacker Neuson loaders, dumpers and light construction equipment. We are also the dealer for UD trucks in the Greater Wellington region and Hyundai Trucks for the lower north island. With branches and a dealer network spanning the North and South Island.

Our dedicated team of over 125 professionals, includes skilled service technicians providing unparalleled spare parts, servicing and support with nationwide coverage.

Central Group's business units and service partners provide nationwide coverage.

Including Branches in:

Whangārei, Auckland, Hamilton, Palmerston North, Hawke's Bay, Wellington and Christchurch

With service partners in:

Blenheim, Nelson, West Coast, Christchurch, Timaru, Queenstown, Dunedin and Invercargill
